## Opportunity

**Family Healthcare • Newberry** is a busy practice of two physicians, two physician assistants, and a nurse practitioner. Drs. Michael and Darly Bernardo have been in practice in Newberry for 12 years. The practice holds a 1:6 call schedule. We are seeking a general BE/BC family practitioner to fill this outpatient only practice. This opportunity offers a competitive salary with benefits including 403B, medical insurance, paid time off, CME days and reimbursement, and malpractice insurance Please visit the Newberry Family Health Centers website at [www.newberryhealth.com](http://www.newberryhealth.com) or [www.selfmedicalgroup.org](http://www.selfmedicalgroup.org).

## Community

**Newberry, S.C.**, is a friendly community of 38,000 people located in the Upstate of South Carolina. This quaint community is adjacent to I-26, which connects to two interstates leading to Columbia, the state capital, and to Spartanburg. Beautiful lakes like Lake Murray and Lake Greenwood surround area and add 150 miles of shoreline to the county. Recreational activities include the newly renovated Newberry Opera House, country clubs, and Dreher Island State Park. Newberry offers fine dining and shopping with 18 antique shops. This town is home to Newberry College, a four-year liberal arts college that offers 25 majors and has 15 NCAA Division II athletic teams for men and women. This lovely small town has much to offer to residents in the community.

## Hospital

**Self Regional Medical Center** is a 414-bed regional referral center providing a wide range of comprehensive inpatient and outpatient services. A 224-bed patient tower opened in August 2006, and a dedicated, state-of-the-art cancer center opened in 2011. The hospital is also home to a 27-resident family medicine teaching program. Self Regional was named one of the world's "Great Workplaces" by the Gallup organization for four consecutive years, and HealthGrades® honored Self with two consecutive Outstanding Patient Experience Awards,™ which ranks the hospital among the top 10 percent in the nation for excellence in patient satisfaction (2009-10 and 2010-11). Self also captured the South Carolina Governor's Quality Award in 2011, the only recipient of the highest award in South Carolina for outstanding achievement in the development and implementation of quality management systems. The medical staff is comprised of more than 200 physicians representing 40-plus specialties and subspecialties. The hospital houses a 10-bed ICU that admits major traumas, surgeries, acute respiratory problems, and high-acuity patients. The CCU, also a 10-bed unit, admits non-surgical myocardial infarction patients and other non-surgical cardiac patients. The CICU has 10 rooms and provides highly-skilled, quality care to adult and geriatric, preoperative and postoperative cardiac surgery patients and post-coronary intervention. Self Regional is also home to both the South Carolina Joint Center and the South Carolina Spine Center.

**Self Medical Group (SMG)**, the not-for-profit physician affiliate of Self Regional Healthcare, provides a team of family physicians and specialists, nurses and specially trained staff, all working together for a patient's health. We provide access to advanced diagnostics and specialty services, and the resources of the area's largest healthcare provider – a complete network of care. SMG has more than 100 physicians and 20 practices.
