Opportunity:

Turning Point Women’s Center is a busy private practice with one physician, Dr. Michael Gentry, which provides OB/GYN services to a seven county region and also provides High Risk Obstetrics coverage for Self Regional’s Family Medicine Residency Program. The practice is at the leading edge for Urogynecology and Pelvic Reconstructive Surgery. Dr. Gentry was the first to perform Trans Obtrator Sling procedures in SC. The practice resides in a new 4,500 square foot building equipped to provide OB/GYN ultrasound with color flow Doppler, colposcopy, hysteroscopy, cystoscopy, LEEP procedures, minor surgery, Interstim sacral neuromodulation , and endometrial ablation. The call schedule during the work week would be 1:2 to 1:3. The practice is seeking a BE/BC obstetrics and gynecology specialist.

Community:

Greenwood, SC is an enchanting community located in the northwestern part of SC nestled amidst gorgeous lakes and rolling hills with a county population of 60,000 and regional population of 250,000. Recreational activities abound, including year round golfing, tennis, water sports, hunting and fishing paradise, cultural performances and over 100 restaurants. Greenwood has been recognized as a Top 50 “Best Towns in America” and has more than 200 miles of lake shoreline. We also host the Festival of Flowers, named one of Southeast Tourism Society’s Top 20 Events. Greenwood is located only an hour’s drive to several metropolitan cities as well as being within two (2) hours to the mountains and three (3) hours to the Atlantic beaches. We have an excellent public and private educational system with a technical college and a university. Greenwood is a place where safe and easy family living comes first.

Hospital:

Self Regional Medical Center is a 414-bed regional referral center providing a wide range of comprehensive inpatient and outpatient services including a 17 bed NICU staffed by two Board certified neonatologists, certified sleep center and a full array of imaging services. A 224-bed patient tower opened in August 2006. The hospital is also home to a 27-resident family medicine teaching program. Self Regional is recognized with five-star ratings from HealthGrades® in 2008-09 for overall orthopedic services, joint replacement and total knee replacement. The hospital received the Orthopedic Surgery Excellence Award™ and is ranked among the top 10 percent in the nation for overall services. Self is top-ranked in South Carolina and in the top 5 percent nationally for neurosurgery, earning the state’s Spine Surgery Excellence Award™. The hospital has five-star ratings in spine surgery, and back and neck surgery (both fusion and non-fusion). Self Regional was named one of the world’s top 20 "Great Workplaces" by the Gallup organization in 2008. The hospital received the award again in both 2009 and 2010. The medical staff is comprised of more than 200 physicians representing 40-plus specialties and subspecialties
